

EAST TIMOR TALKS CAMPAIGNPostcard campaign

Two message postcards have been printed (25,000 of each). One is directed to the Prime Minister, Mr Hawke. The other to Hon Javier Perez de Cuellar, the UN Secretary General.

It is vital that all of these cards (and hopefully more!) reach their objectives. Community liaison must therefore be a priority.

If you can distribute cards, please contact the ACFOA Human Rights Office, 124 Napier St, Fitzroy 3065. Tel. (03) 417 7505 Fax (03) 416 2746.

TALKS CAMPAIGN NATIONAL TOUR

The Australian Freedom From Hunger Campaign has offered to tour Jose Ramos Horta nationally to promote the talks project and win support for it in the wider community. AFFHC will cover the travel component of the tour.

The tour would have to be during the period of 1 - 17 October (it could start a few days earlier).

It is proposed Jose would visit all national capitals and, if possible, one or two provincial centres.

It is also proposed that, apart from media work and contact with key figures and organisations, he would address a public meeting on the talks proposal.

Pat Walsh will follow up with people in each centre.
